

November 9, 2014,

To WHOM IT MAY CONCERN

We are pleased to confirm as follows

We have worked with **Al Fannan Shades Industries, P O Box 62585, Sharjah, UAE** for a number of years, and confirm that they are fully approved and accredited installer of our range of Architectural Synthesis **Commercial 95™** HDPE Knitted Shade cloth and **Sioen Textile architecture fabrics**.

We have inspected a host of their installations and are glad to confirm that their installation of our fabric is always up to the highest standard.

We have no hesitation in recommending them for use on your Shading requirements, utilizing our tensile commercial 95™ Knitted Shade cloth and Sioen architecture fabrics for use in tensile membrane shade structures, including tensile sails and car park shade structures.

Should you have any further queries in this regards, Please do not hesitate to contact the undersigned.
